

BelHealth Announces Addition of Ed Mendham, CPA

Joins as Vice President, Finance – Portfolio Companies

New York, NY – January 6, 2016 – BelHealth Investment Partners LLC (“BelHealth”), the investment manager for the BelHealth Investment Funds, a healthcare-focused private equity firm, announced that Ed Mendham has joined the firm as Vice President, Finance – Portfolio Companies. Mr. Mendham will provide finance and accounting expertise during due diligence for new investments as well as for the existing portfolio.

Mr. Mendham has 20 years of experience in financial and accounting roles. Most recently, Mr. Mendham served as Chief Financial Officer (“CFO”) of Qforma, a leading provider of data analytics services to the pharmaceutical industry and a BelHealth portfolio company. Prior to Qforma, Mr. Mendham served as Vice President, Finance for Advanced Health Media, the industry leader in speaker bureau management and compliance management systems for the pharmaceutical industry. Ed is a CPA and received an MBA from Rider University and BA from Trenton State College (the college of New Jersey).

Ed Mendham stated, “I am excited to join BelHealth and continue to work with the team that I have gotten to know well over the last several years. While serving as CFO of Qforma, I witnessed firsthand BelHealth’s healthcare industry expertise and rigor in partnering with and growing exceptional lower middle market companies. I look forward to leveraging my finance and accounting operations experience to enhance BelHealth’s due diligence process and also add value to their portfolio companies.”

Harold S. Blue, Founder and Managing Partner said, “We are pleased to welcome Ed to our team. With Ed serving as CFO of Qforma, we understand his strong work ethic and character. As BelHealth evolves, it is critical that we continue to add talented individuals to our team. Ed will provide finance and accounting expertise on both new deal due diligence as well as to the existing portfolio. Adding Ed ensures our portfolio companies have additional finance and accounting resources that will better ensure their optimal performance.”
